## Digging Deeper Discussion Questions:

1. Why is obedience the test of true faith?
2. Make a list of synonyms for the word or idea of "faith."
  - a. Which word or phrase communicates most clearly to you what it means to have faith?
  - b. How does the idea of "taking someone's word for it" communicate what it means to have faith?
3. What has been the scariest or most costly risk that you have taken by faith in and obedience to the commands of Christ?
4. What events have been mile markers in your growth of faith?

## G.S. and Sarah Nair

Trivandrum, India (F.B.M.I.)

- The wife of one of our pastors who works in Mumbai has contracted COVID-19. She is in an isolation ward. Pray for her as she is also expecting their second child in mid-June.
- Many of our students and teachers have been able to go back home, but some of them have yet to go back to their homes because of lockdown from the various places as they went to summer ministry. Funds are needed to provide for them.
- Due to this lock down, our Children's homes are in need of various things -- especially for the on-line courses we need a couple computers for each of the homes.
- There are several souls who got saved and after discipleship are waiting to be baptized. Pray for these new believers.
- Please pray for Sarah as she is slowing down. Her medication is working, but they have to increase the dosage due to Parkinson.
