Pastor Caleb Bowman

Jesse and Tena Luper

Native American Bible Ministries Oklahoma (A.B.W.E.)

We are so thankful for Calvary and all the great families that attend. Tena and I are always thinking about everyone there at church and how much you have encouraged us through the years. As you know Native America is a slow moving ministry, always waiting on the next time we can be involved in their lives.

- Pray that we are able to be more involved with those committed families that desire to study God's word.
- Pray that our little Indian churches keep their doors open along with the Holy Spirit urging the young people to come to church to hear the Word.
- Pray that all the ministries that had been planned for this summer will be rescheduled to be able to share the gospel and reach out to our Native families.
- Please pray that Tena and I stay healthy and wise during this time of reopening of America.
- Last of all, I will be teaching the Sunday school class and preaching on June 7 at Choctaw Academy pray there will be many that come to hear God's word!

Honor your Dad on Father's Day with this special church tradition!

Bring enough pie for your family plus a little extra to share with others – after the service you can choose a favorite slice (or two or three!). You can help the social committee by bringing your pie pre-sliced and dropping it off at the kitchen before service starts between 5:30-5:55.

Don’t miss this great time of church family fellowship & games –

- Table Games
- 9-square in the air
- Ga-ga Pit
- Ping-pong
- Carpetball
- ... and new Pickleball!
