### Missionary of the Week

#### **Moises and Luzimar Moura**

Portuguese speaking people (Be One Together)

In this time of uncertainty and fear in the entire world in the light of COVID-19, we remember that the promises of God are still true! Our God is bigger than the Coronavirus! Lucy and I decided to replace our fear with faith and pray for our nation, and for all the world trusting that God will protect us. God's message for us is "Do not fear, for I am with you; do not be dismayed, for I am your God" (Isaiah 41:10).

**PRAYER REQUEST – MY BOOK** I finished writing my first book. The title is "**Why suffering? - the reasons we suffer and how to glorify God through it.**" The book is being edited and revised to be printed soon. My goal with this book is to bless and reach those who are suffering in this world. The book will be in both languages, English and Portuguese. **Please, pray with us for this project.**

**PRAY FOR OUR NEXT MISSIONARY TRIPS** We are trusting the Lord that we will be able to make those trips, but we need your prayers. June – July - Sao Paulo, **Brazil** – To launch our book in Portuguese and minister at the Chinese Church. (We already have air tickets). October – **Nepal** – Encourage missionaries/church support.

#### **PRAY FOR OUR NEW FIELD – NEPAL**

As the International Ministry Liaison at Be One Together, I will help our missionary **Krishna Bhatta** who has been reaching people with the Gospel in rural villages of the **Himalayas**. I will work with him helping in training church leaders. Presently, Krishna oversees 17 churches.

We are raising money to purchase Bibles for the people in Nepal. They have one Bible for 17 people to share. Please, pray for this new ministry opportunity and help us raise the money to purchase Bibles. Each Bible costs \$7.00. They are praying for 500 Bibles.

Lucy and I are looking forward to seeing you all in April, the Lord willing.

1. How does the world typically handle anxiety?
2. In what ways can the believer be an example of how we should handle worries?
3. How do anxieties choke out the believer's life every day?
4. At what point can one determine whether their fruit is being choked out or if there was ever fruit to begin with?
5. How do we actively fight off the "love of money"?
6. Since each believer is called to be a "planter", who is someone in your daily life that needs the seed of the Gospel message planted?
