# TONIGHT'S SERVICE - Missionary Guests

## Sam Slobodian – BIEM

Sam and Amy have served with Baptist International Evangelistic Ministries since 1982. Headquartered in the Indianapolis area, BIEM focuses on evangelism, church-planting, training nationals and Gospel literature distribution in Eastern Europe and nearby restricted countries. Over 100 churches have been planted through these efforts and over 50 church buildings have been built. BIEM's efforts also include training over 300 Ukrainian national pastors, missionaries and Christian workers.

## Vitaly Yurchenko – Ukraine

A blessed survivor of the Chernobyl nuclear catastrophe, Vitaly gave up a lucrative private business to become a church planter with BIEM. When Vitaly first visited Chervona Sloboda there was not one church of any kind. Beginning by renting the village club, he has been blessed by God as souls have turned to Christ as Savior. Vitaly now leads Grace Baptist Church which purchased a house to use as their own meeting place. They are now expanding and improving that building.

Despite open hostility from two community leaders (the school principal and the manager of the liquor distillery), Vitaly has steadfastly persevered in proclaiming the Gospel, and the Lord is blessing his faithfulness. Vitaly also serves as the director of Kyiv Theological Seminary, where BIEM is training national pastors, missionaries and Christian workers.
