**Prayer:**

- Pray a prayer of gratefulness to God that he sent Jesus to die for your sins.
- Pray that God gives you the passion to share the Gospel message with others in your daily life.
- Pray that all those suffering from afflictions in your family, your community, and in our church, will be trusting in God's perfect plan.

AWANA (A.C.I)

It has been a crazy time for us in the past few months while we've adjusting to a new way of doing ministry. We are anxious to get back out "with" people in person vs. over the screen.

**Praises:** I am happy to hear of all the effort your children and youth, as well as churches across the state, have put into your Awana year and memorizing God's Word. Churches across the state have gone through quite a change in the way they've done ministry the last few months and it seems it may look different moving into the future.

**Prayer:** As we navigate and plan to equip churches to be ready for ministry this fall, we're developing different ways to do that digitally and in person. We are also launching a new digital curriculum called "brite\*" this summer and will be helping churches be equipped for reaching and discipling kids and youth through both Awana and brite\*.
